Pursuit for peaceful society

- Modern societies: zero tolerance on violence and high protection of human rights
- 21st century: the most peaceful time in human history
- Violence is a state problem
- Can someone consent to (physical) violence?

CRIMINAL LAW ASPECT

- Consent in criminal law – *volenti non fit iniuria*
- Consent- exclusion of unlawfulness
- Rules:

1. Clear

2. Unambiguous

3. Given by a person who is able to understand the consequences of his consent

CRIMINAL LAW ASPECT

4. Future event

5. Consent must not be given in error or under duress

6. You cannot consent to violation of every legal good!

- Consent to an physical injury in boxing – exception!
- Boxing has rules and a supervision – informed consent
